

# How to Build a Pollinator Garden

## *A Step-by-Step Approach*

*Native pollinators need healthy landscapes!*

**Saturday, Sept. 7th, 10 – 11 am**

US Fish & Wildlife  
South Coast Refuge Office  
83673 North Bank Lane, Bandon

You will learn about:

- ◆ Attracting pollinators
- ◆ How to assess & prepare your site
- ◆ Create a design unique to your site
- ◆ Using native and exotic plants, lists provided
- ◆ Habitat boosts and host plants
- ◆ Oregon Bumblebee Atlas and more!

**Darcy Grahek, instructor**  
**OSU Extension Master Naturalist**  
**Stillwater Native Plant Nursery**

*Bring your own chair!*
